

19 Jan. 1949

Rep. Blondero's office called
to say that they wanted
actual texts and not the
summaries, which they
already have. I called

[redacted] about this
and he told me that
they do not keep texts
more than about 20 days.
If, however, you think
it should be done - Mr.
[redacted] will check with
London to see if they
still have the texts.

Call [redacted] Monday
